Instruction:

Center the design and start stitching over two fabric threads. Work Cross-stitches with two strands of embroidery floss. Use one strand of embroidery floss for Backstitches.

Frame as desired with your choice of frame.

For the miniature sampler, use the same fabric. Use one embroidery floss to stitch one over one Cross-stitch, Algerian Eyelet, and Backstitches.

See Alphabet chart to customize your Sampler. You can choose which color floss to use for the Initials. I stitched my and one of my close friend's initial.

Note:

For the model, I used Gentle Arts embroidery floss. I have added a DMC Floss equivalent as an option.

A second chart is included to complete the Miniature Sampler. I used the same Fabric and stitched one over one Cross-stitches and the result is a 2-1/8" x 2" finished piece.

An Alphabet chart is included to customize your Sampler.

I had a custom made frame for the bigger sampler with an opening size of 4-5/8" square. You can certainly use a 5" square ready made made Frame instead.

The "Heart" between the initials is an option if you like add or use a heart charm instead.
